RealBiz360.com Announces New Affiliate Partnership with AnnounceMyMove.com to Provide Its Customers with Social Media Marketing Tools.

Phoenix, AZ. 04/02/2009 - RealBiz360 Inc., the leading provider of delivering High Resolution Imaging over the Internet announced today that it has entered into an affiliate partnership with AnnounceMyMove.com to provide free, auto-generated listing announcements with their new social media product, AnnounceMyListing

Utilizing its advanced patented imaging technology, RealBiz360's VuVista Suite featuring i3 Technology and iVuZoom viewing enables Real Estate professionals to utilize high resolution images to create immersive, interactive Virtual Tours. Now agents can seamlessly create listing announcements that can be sent to their clients to be personalized and emailed to their own personal social network, Facebook and other social networking sites. Each AnnounceMyListing displays the high resolution iVuZoom tour unlike the standard slide show presentation currently being offered to other AnnounceMyMove subscribers.

"VuVista'sTM publishing feature includes distribution to major Real Estate marketplaces, however the integration of AnnounceMyListing introduces a powerful viral marketing strategy for our agents. We are constantly improving the VuVista platform and this addition is a cost effective way for our members to utilize social media to generate prospects, build referrals and sell their properties", stated Steve Marques, President and Chief Operating Officer of Realbiz360.

AnnounceMyListing powered by AnnounceMyMove.com was launched in November of 2008 and has become the pioneer in viral and social media marketing for Realtor's listings. "We are thrilled about our partnership with RealBiz360. Their members have chosen an advanced imaging system for high resolution tours and want the opportunity to promote them with new social networking strategies. Announcements can be posted on Facebook, MySpace, Craigslist, and other social and professional networking sites.

Agents are looking for ways to get introduced to their client's social network and reconnect with their past clients and prospects in a personal way. The enhanced AnnounceMyListings featuring the exclusive iVuZoom tour lets the agent stand out from the competition and really impress their sellers", said Janelle Odishoo, VP of Marketing and Business Development for AnnounceMyMove.com.

About RealBiz360 Inc.

RealBiz360, Inc. a subsidiary of iseemedia Inc. is the leading provider of Image Content Management Solutions for rapidly delivering high-quality images over the Internet. RealBiz360's advanced immersive imaging technology enables fast and efficient high-resolution imaging, panoramic viewing, and image interaction for professional and enterprise requirements. Realbiz360's VuVista solution transforms images from mere pictures to powerful tools that communicate and invite hands-on participation for an immersive experience. This revolution in imaging changes the way consumers interact with images and provides new visual solutions for the Real Estate Industry. For more information, please visit: www.realbiz360.com

About AnnounceMyMove LLC.

AnnounceMyMove LLC is an industry pioneer in providing "social media" marketing tools to the real estate industry. Individual agents and offices, local and national real estate companies, and Multiple Listing Services have contracted with AnnounceMyMove to provide a unique, relationship marketing tool to help them grow their business. The AnnounceMyListing product is the newest product released by the company and uses the concept of Web 2.0 and shared APIs to provide Realtors with a viral marketing tool to promote their listings and build referrals.
